

An All-In-One Solution to Grow Your Membership

Wild Apricot is an all-in-one tool for emerging nonprofits, associations, clubs and local chapters to manage and engage their members. Automate and simplify membership tasks for yourself, your members, volunteers and board.

Wild Apricot is an all-in-one solution that eliminates up to 90% of the administration work involved in managing members, payments, chapter websites and more.

Automate Member Management

Many organizations report saving 20+ hours a week from Wild Apricot's streamlined and automated features:

Membership Management: Attract, renew, search, and manage members with ease in one central, cloud-based database.

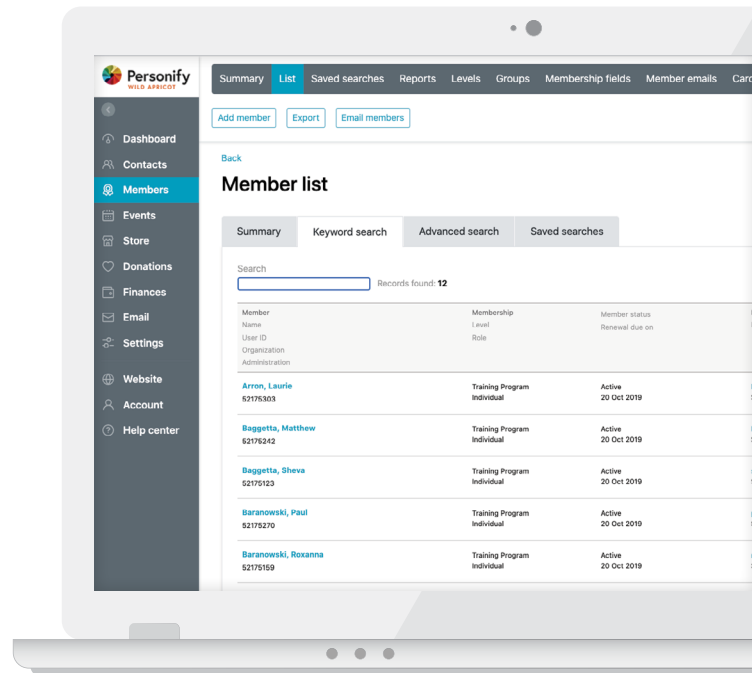

Event Registration: Grow events with simple online promotion and registration — easily add an event calendar.

Online Store: Generate more revenue by selling merchandise online.

Email Marketing: Craft professional emails and newsletters, and track results.

Website Builder: Build your online presence with a simple drag-and-drop website builder — easily create uniformity between chapters.

Mobile App: Manage members and check-in event guests from any mobile device.

Who uses Wild Apricot?

Over 25,000 organizations use Wild Apricot every day, including some of the biggest chapter-based organizations in the US:
