## **METERED PARKING RATES**

SacPark tier-based meters allow time extensions that allow motorists to park past the posted time limit when more time is necessary.

Tier 1: \$1.75 per hour up to posted time limit

Tier 2: \$3.00 for next hour after Tier 1 expires

Tier 3: \$3.75 for each hour parking thereafter

If using [Parkmobile](#) to make your initial parking payment, the app will remind you when any paid tier time is about to expire. Remote time extensions may be paid using the app without the need to return to the meter and only if the initial meter payment was made using the app.
